

Parker's Rules

FOR ANYTHING UNDER THE BED

One.

You can be under my bed *because I say so*. If the bell is on the floor, don't come tonight.

Two.

If I say **GO**, you go. Right out of the room. You wait till I call.

Three.

You can *ask*. I have to be awake to say yes. **Asleep isn't yes.**

Four.

Tell me one true thing. Even if I say no.

Print it. Stick it by the bed. Put your feet out.
